(a) Municipalities: The City of Chilliwack, The Corporation of the Township of Chilliwack, The Corporation of the District of Kent, Town of Hope, The Corporation of the Village of Harrison Hot Springs;

(b) Unorganized areas: Unorganized Areas A, B, C, D, E, and F, the boundaries of which shall correspond to the boundaries of the electoral areas of the Regional District of Fraser-Cheam as set out in Appendix A of the Letters Patent under which the said regional district was incorporated.

4. The population deemed to be a voting unit is 2,500.

5. The Board of Directors of the Fraser-Cheam Regional Hospital District shall exercise the powers and carry out the duties assigned to regional hospital districts in the *Regional Hospital Districts Act*, the regulations made thereunder, and these Letters Patent in accordance with the provisions thereof.

6. The boundaries of the Fraser-Cheam Regional Hospital District constituted herein are the same as the boundaries of the said Regional District of Fraser-Cheam constituted under the *Municipal Act*; therefore, pursuant to section 11 (2) of the *Regional Hospital Districts Act*, the Directors and Alternate Directors of the said Regional District of Fraser-Cheam from time to time shall be the Directors and Alternate Directors of the Fraser-Cheam Regional Hospital District.

7. The first meeting of the Board of Directors of the Fraser-Cheam Regional Hospital District shall be held in the evening of October 17, 1967, at the Council Chambers, Municipal Hall, Township of Chilliwack, Chilliwack, B.C., immediately following the first meeting of the Regional Board of the said Regional District of Fraser-Cheam.

8. The said Board of Directors, hereinafter referred to as the "Board," is hereby empowered to advance sums of money for hospital planning and for expediting hospital projects in the year 1967, the total amount of which shall not

exceed the product of one-quarter of a mill, in accordance with subsection (2) of section 21 of the *Regional Hospital Districts Act*, hereinafter referred to as the "Act," and for this purpose the Board may, with the approval of the Minister of Health Services and Hospital Insurance, hereinafter referred to as the "Minister," borrow such sums to be recovered from the proceeds of a subsequent money by-law.

9. The powers, duties, and obligations of the Fraser-Cheam Regional Hospital District, hereinafter referred to as the "District," are those matters enumerated in the Act, the regulations, and these Letters Patent, and in addition the district shall establish a Regional Hospital Advisory Committee as soon as possible. The said Committee shall, when requested by the Board, review the hospital projects proposed by the boards of management of the hospitals in the district and recommend priorities and revisions thereto if deemed necessary, and shall also recommend regional programmes for the establishment and improvement of hospitals and hospital facilities in the district for presentation to the Board and to the British Columbia Hospital Insurance Service for approval. The membership of the said Committee shall include persons representing the hospital corporations in the district and such other persons as may be appointed by the Board, together with such persons as may be appointed by the Minister from time to time.

10. The district is empowered and shall,

(a) subject to the approval of the Minister pursuant to clause (c) of subsection (1) of section 21 of the Act, assume on and from January 1, 1968, the annual debt charges (principal and interest) of the member municipalities with respect to debentures issued for the purpose of financing hospital projects which are issued and outstanding as of December 31, 1967, to the extent that the proceeds from the sale of such debentures were paid to a hospital corporation or the district for such purpose. Interest shall be adjusted as of December 31, 1967;

(b) reimburse a member municipality which has provided moneys on or before December 31, 1967, for the capital financing of hospital projects from funds other than money obtained from the sale of debentures. Such reimbursement shall be made in accordance with the provisions of this clause. The sums disbursed for such purpose, when approved by the Minister, shall, for the purposes of the Act, be deemed to be debenture debt issued by that municipality for a term of twenty years, with interest at five per centum per annum, payable in equal annual instalments of principal and interest combined, and the year of issue shall be deemed to be the year in which the Council of the said municipality made the disbursement. Commencing in year 1968 the district shall either pay to the municipality annually the remaining unpaid instalments as if the municipality was the purchaser of the debentures deemed to have been issued or, alternatively, the said unpaid instalments shall be com-

muted by the Board; provided that where the Minister determines that moneys provided by a municipality during 1967 to a hospital project constituted a temporary advance, the municipality shall be reimbursed by a lump-sum payment made by the Board;

(c) include in the annual budget of the district the sums required for the purposes of clauses (a) and (b).

For the purposes of paragraph 10, the following hospital improvement district shall be deemed to be a member municipality: Fraser Canyon Hospital Improvement District No. 8.

11. On or before November 30, 1967, each member municipality to which paragraph 10 applies shall submit to the Board and to the Minister a statement giving the details of the matters referred to in paragraph 10 as of the date on which the said statement is prepared, together with an estimate of the sums likely to be paid or advanced for hospital projects during the remainder of 1967. Not later than January 15, 1968, each such member municipality shall notify the Board and the Minister regarding the details of any moneys actually paid or advanced for hospital projects after the said statement was prepared and before January 1, 1968.
